DISCOUNT VOUCHER for **OCEANS** from Disney Nature

FROM Thur 5th MAY

OCEANS - Nearly three-quarters of the Earth's surface is covered by water, and OCEANS boldly chronicles the mysteries that lie beneath. Directors Jacques Perrin and Jacques Cluzaud dive deep into the very waters that sustain all of mankind, exploring the harsh reality and the amazing creatures that live within. Featuring spectacular, never-before-seen imagery captured by the latest underwater technologies, OCEANS offers an unprecedented look beneath the sea.

DISCOUNT VOUCHER for **DIVE!** ON **MON 9th MAY**

DIVE!

Follow filmmaker Jeremy Seifert and his circle of friends as they **dumpster dive** in the back alleys and gated garbage receptacles of L.A.'s supermarkets. In the process, they uncover thousands of dollars worth of good food and an ugly truth about waste in America: grocery stores know they are wasting and most refuse to do anything about it...
